- Chapter 23 -

IT WAS BECAUSE BIT NA IS STUPID.

IT CAN'T BE HELPED THAT MORE INGREDIENTS FOR THE FEED ARE IMPORTED. THAT'S WHY THERE'S A LOT OF ENGLISH SITES.

WOOF.

BOWWOW.

AND UNLIKE OTHER COUNTRIES THAT TAKE AN ACTIVE ROLE IN THIS SITUATION,

IN OUR COUNTRY, THE PUBLIC INFORMATION AND SERVICE NOTICES TO THE CUSTOMERS PRODUCING THE FEED ARE KEEP THE SITUATION QUIET.

THERE ARE LOTS OF TWEETS AND BLOGS ABOUT IT. BUT MOST PEOPLE WOULD LOOK AT IT PERSONALLY ON THE INTERNET. ON SOME COMPANY HOMEPAGES THERE WERE SMALL NOTICES THAT EVERYTHING WAS FINE BUT THEY WERE THEN DELETED.

THEY SHOULD REALLY TELL US IF IT'S NO GOOD.

THE ANIMALS EAT THEM AND GET SICK.

IF EVERYONE IN THIS WORLD WERE LIKE YOU, BIT NA, SITUATIONS LIKE THESE WOULDN'T HAPPEN, BUT IT'S NOT THE CASE.

?

YOU MIGHT THINK THAT YOU ARE THE ONLY ONE RAISING YOUR PET BUT YOU'RE NOT THE ONLY ONE RAISING IT.

You have to go to the veterinarian to see if there's anything wrong with him and get treatment, right?

That's not something we can do by ourselves.

And, other people make the food we give to them.

WE BUY THOSE AND GIVE THEM TO THEIR PUPS.

AH...

AND SO, THROUGH ALL THESE IN PLACE, WE CAN FIND GOOD CARE. THERE ARE GOOD PEOPLE THERE. BUT THERE ARE PEOPLE THAT ONLY LOOK FOR PROFIT.

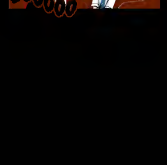
PROFIT...

THINK ABOUT THE REASON BEHIND THE MASS RECALL INCIDENT.

To gain big profits with minimal effort, the production companies use melamine, which increases protein total, is potentially poisonous to animals.

Those production companies employ fake workers outside their companies to do tasks without any supervision, and they sell these products without proper safety testing.

The public institutions are keeping quiet about all of this because they know they are responsible for more things than just food for cats and dogs. They know that by causing a noisy, they'll create havoc.



WH - WHAT? IS GRANDPA SICK?

CAN YOU READ THIS AND PICK OUT THE BAD ONES? YOU'RE A DOCTOR, SO YOU CAN READ ENGLISH, RIGHT?

PLEASE UNDERSTAND, BIT NA JIN WAS A LITTLE STRESSED OUT BECAUSE OF THAT PROBLEM

THERE WERE A LOT OF ANIMALS THAT CAME TO NAN IN CRITICAL CONDITION...

HE TOLD STUDENTS TO CONTROL THE FOOD THEY GIVE AROUND. HE WAS WORRIED THAT IT'S HARD ABOUT IT ENOUGH TO THE STUDENTS

BUT SINCE THE SCHOOL CAN'T HANDLE A BIG RESTRUCTURING, THEY ORDERED NAN TO NOT CAUSE A BIG FUSS.

I KNOW IT'S NOT SOMETHING I SHOULD BE SAYING AS AN ADULT, BUT WE HAVE NO IDEA WHAT TO DO OURSELVES...

TO NOT BUY THE FOOD THAT
IS CAUSING PROBLEMS,
TO CREATE YOUR OWN PANEL
TO CONTROL THE FOOD THAT
SUPPLIES THE PENS, TO TELL THE
WORLD USING THE INTERNET OR
OTHER WAYS.

WHEN YOU START THINKING THEY WON'T DIE AFTER EATING THIS AND LOOSEN UP, THEN YOU BECOME A WEAK CONSUMER.
WITH THAT, YOU'RE OBSERVING YOUR OWN DOG DIE WITH THE FOOD YOU PAID FOR.
HCE
HCE
OKAY, I GET IT!
WHAT'S SUPPOSED TO CHANGE FROM THAT...?
IT'LL JUST GET A LITTLE FOR A WHILE, AND EVERYTHING WILL QUIET DOWN AGAIN...
HUMAN BEINGS... THEY FORGET THINGS THAT THEY ARE SUPPOSED TO REMEMBER.
THEY SHOULDN'T FORGET ANIMALS WHO WRITHE IN PAIN... BUT THEY'LL FORGET SOON ENOUGH...
HOW MANY PEOPLE DO YOU THINK ACTUALLY CARE ABOUT THIS?
EVEN THE OWNERS OF BIG DOGS WILL SAY TO NOT MAKE THAT MUCH OF A FUSS OVER SOME ANIMALS AND TREAT YOU LIKE A MAD MAN.
THEY'LL JUST TELL YOU TO GET ANGRY AT THE RIGHT THINGS.
IS THIS MEANINGLESS? TO WATCH THE LIFE I CARED AND NURTURED CONVULSE AND DIE...
THEY LINE THEIR POCKETS WITH THE POISON THAT THEY GET YOU TO BUY TO CARE FOR YOUR PETS
DO YOU GET IT?
YOU'RE JUST ONE PERSON WITHIN THAT HUGE SEA OF PEOPLE!
TSK. THAT'S...
LET'S NOT GET SO ANGRY OVER SOME DOGS OR CATS GETTING SICK.
DON'T TAKE YOUR ANGER OUT ON A PRETTY GIRL BECAUSE YOU HEARD THAT!
SHUT UP.

INSTEAD OF THINKING OF WHAT OTHERS CAN DO, LET'S JUST DO WHAT WE CAN DO TO THE BEST OF OUR ABILITY.
BELIEVE IN THE SMALL VOICES OF INDIVIDUAL PEOPLE. THAT SMALL VOICES WILL ONE DAY CREATE A TORNADO LIKE THE BUTTERFLY EFFECT.

IF YOU'RE GOING TO SAY STUFF LIKE THAT, THEN HOW ABOUT HELPING ME WRITE THIS PROTEST LETTER?
You mad
Why do you look so surprised then?

HONESTLY, WHILE RESEARCHING FOR THIS,
I WAS CONFUSED ABOUT SUCH AN IDEALISTIC
THING THAT CAN ONLY BE SEEN IN COMICS.
I'M NOT IN A POSITION TO INSULT ANYONE
THAT FEEDS STORE-BOUGHT FEED TO
THEIR DOG BECAUSE IT'S CHEAP.
I CAN'T SAY WITH 100% ACCURACY WHETHER
HAND-MADE FOOD IS RIGHT OR WRONG.
THE TRUTH IS, WE CAN'T EVEN TRUST THE
FEED PICKED WITH GREAT PAINS IS
FAVOURABLE TO THE ANIMALS.
WE LACK IN STUDY AND WE'RE NOT
REALLY SMART SO THERE'S NO CONCLUSION.
YOU CAN JUST TRUST IN THE OWNER.
THE ONE THING WE MANAGE TO
CONVEY IN THE COMIC IS THE MOOD.
PLEASE IMAGINE THAT YOU
HAVE A LIFE IN YOUR HANDS.
THINK ABOUT WHAT THAT MEANS.
IT MIGHT BE HARD BUT IT'S NOT DIFFICULT
TO UNDERSTAND. FOR EXAMPLE, IMAGINE THAT
YOU HAVE A CUTE PUPPY IN YOUR ARMS.
IMAGINE THAT YOU'RE HUGGING THAT PUPPY,
STROKING IT AND IMAGINE THE
FEELING YOU GET BY STROKING IT.
THE PUPPY STARTS CONVULSING AND THROWING UP.
IT CAN'T DRINK WATER AND IT KEEPS PANTING.
IT WHINES AND CRIES.
IMAGINE THAT THE PUPPY IS
WRITHING IN PAIN IN YOUR ARMS.
HOW DO YOU FEEL? THINK ABOUT THE
THINGS YOU CAN DO FOR YOUR SICK PUPPY.
IT MAY BE A HARD THING TO IMAGINE
BUT I THINK IT'S GOOD TO THINK ABOUT IT ONE TIME.
AND TO STUDY HARD SO THAT WHAT
YOU IMAGINE DOESN'T HAPPEN.
ONCE PEOPLE THAT HAVE IMAGINED IT
START FORMING TOGETHER,
THEN ONE DAY, INSTEAD OF DRAWING
SOMETHING IDEALISTIC,
I HOPE THAT I COULD DRAW
SOMETHING MORE REALISTIC.

I THOUGHT YOU WERE WORRYING ABOUT TAETAE! SO I MADE UP SOMETHING THAT I HEARD ABOUT I'M GLAD IT HELPED.
Huh? Come to think of it, I don't think I told a word of it to her, so how did she know?

HEY, YOU...

YOU SEEM TO KNOW A LOT OF OTHER STUFF ABOUT OTHER ANIMALS FOR SOMEONE RAISING JUST A CAT.

THANKS FOR THE COMPLIMENT.
There's another hamster if someone's into hobbies~

Is you're not watching TV or reading a book...

No... I'm don't... know... a lot...

CAN YOU MAKE A TOY FOR A HAMSTER LIKE YOU DO FOR THAT RABBIT?
THEY SAY THAT THE TEETH FOR HAMSTERS GROW AS WELL...

DENTAL CARE IS IMPORTANT TO HAMSTERS, RABBITS, DOGS OF COURSE, AND CATS.

HM...

DO YOU WANT TO GO TO A SPECIAL LECTURE BY MR. GEO JIN?
MY ROOMMATE IS GOING TO ATTEND THE LECTURE, SO DO YOU WANT TO TAG ALONG?

DENTAL CARE IS SOMETIMES TAETTE EASY TO OVERLOOK.
LIKE PEOPLE, ANIMALS CAN GET DANGEROUS TOOTHACHE SINCE THEY'D STEADILY GROW TEETH BORN ON AFTER TASTING BORN.
BECAUSE OF THIS, WE NEED TO LOOK OUT FOR THE REASONS THEY MAY HAVE PROBLEMS AFTER THEY'RE BORN.
WE HAVE TO BE CAREFUL BECAUSE THEY CAN'T EXPRESS THEIR PAIN VERBALLY.

Something's Different
YOU!!
Ack!
Ack!

I HEARD THERE WAS SOMETHING FOR HAMSTERS AS WELL...
BUT YOUR EXPLANATIONS ARE COMPLICATED AND THERE'S NOTHING TO TAKE FROM IT...

DENTAL CARE IS DEFINITELY IMPORTANT.
LIKE HOW GOOD DENTAL CARE IS EVEN CONSIDERED ONE OF THE SEVEN FORTUNES* AND IS IMPORTANT TO HUMAN BEINGS.
THE WORD 'SEVEN FORTUNES' IS USED TO DESCRIBE SEVEN KINDS OF VALUABLE THINGS IN THE PHRASE, 'THE SEVEN FORTUNES OF A CHILD'.

If their teeth aren't healthy, they won't eat properly and shorten their lives.

And if they get inflammation, it will spread to a larger area etc.

CAN'T THEY TAKE OUT THE RUTTEN TEETH AND PUT IN SOME FAKE TEETH LIKE THEY DO WITH PEOPLE?
YOU CAN DO SOME SURGERY TO PREVENT TEETH ROTTING.
WITH DOGS AND CATS, YOU CAN PUT THEM UNDER ANESTHESIA AND GIVE SEDATIVE
AND WITH HAMSTERS OR RABBITS, THERE ARE NUMEROUS TO CHECK DOWN UNKNOWN TEETH, BUT THERE ARE NO MEDICINES OR ANESTHESIA ARE TOO FOR ANIMALS.
TEETH SURGERY WITHOUT ANESTHESIA IS STRENGTHEN, AS WELL AS THE GUMS AS WELL AS THE TEETH
AND HAVE SOME INFLAMMATION AND BLEEDING, SO IT'S NOT GOOD. I WANT FOR THE OWNER'S WILL TO USE THE OWNERS OWN WALLETS IF THEY TOOK REGULAR CARE OF THEIR TEETH.
SO, DON'T TELL ME WHAT YOU NEED TO DO.
Ah... that type of getting in my nerves. Can I change who I sit by?
Sue can sit in this situation as well She's like my PA.

Dog&Cat

It is important to set into a habit of brushing the teeth.

Just kidding!
It's okay to eat if you suddenly decide and want to brush its teeth. It's because a Rottweiler couldn't is normal into their behavior so this is natural behaviour. Don't have an and try the Rottweiler, sometimes below.

Step 1

Get a towelor that it's okay for an owner to let the dog swallow it. It can be wet by putting a clean towel in and massage the naked tooth.
Get interested in toothpaste ingredients, which are good for dogs and somewhere it can be eaten or around the mouth. Let it know the toothpaste tastes good

Step 2.

Let it get accustomed with the toothbrush by letting it attune in its mouth.
Let it get accustomed with the toothbrush by letting video recommends in it and letting it taste it

Step 3.

Let it get accustomed with the toothpaste by letting the toothbrush with toothpaste attune in its mouth.
When it tries to taste the toothpaste, apply another material in in its mouth.

Step 4.

Fortunate the, brush you small, its teeth, slowly and master while it's a towelor with it!
Try to and for at least 2-3 times a week, or as often as you can.

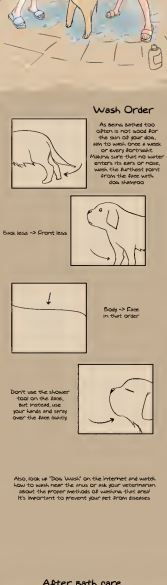
Scratching post + Cat tower

Cats spend most of the day either sleeping, themselves or meowing, but this doesn't mean they have no time to play.
There are always cool like toys that allow the owner and the pet to play, but for exercise and to save the pet its own space, you need a pet tower.
A cat tower like this substitutes what an owner saves to a pet.
It's not reasonexpect to train a pet not to scratch walls or furniture, it is usual to provide a scratching post or cat tower.
It helps to save the pet into more serious its stress on the tools involved.
There are some stores that offer deliveries (T_T)
but isn't it better to just provide the cat a scratching post?

Dog's Playthings

Walks are the best things for dogs to enjoy, but there are many up-and-an walks you can do with your pet indoors.
If possible, it's good to mix it up with some basic trainings as well.
Make your training repertoire like 'Sit', 'Stand', or 'Wait' several times, or even sometimes like a hurry, 'Stop, Put, Close.'
If your pet does well, give it commitments, and its favorite treat as a reward.^^



Wash Order

As bems bathed too often is not good for the skin of your dog, aim to wash once a week or every fortnight.
Making sure that no water enters its ears or nose, wash the furthest point from the face with dog shampoo
Back, loins -> Front loins
Body -> Face in that order
Don't use the shower too on the face, but instead, use your hands and spray over the face gently

Also, look at 'Dog Wash' on the internet and watch. How to wash near the anus or ask your veterinarian about the proper methods of washing that area! It's important to prevent your pet from diseases

After bath care

#It's important to dry!

When drains out the fur with a hair dryer, make sure to keep your distance so that the skin won't get burnt, and watch the noise and the heat. You need to dry the fur to the roots as quickly as possible while also ensuring the temperature because while blowout, it's a very important task. You need to dry the pet's skin and its roots as the hairs to prevent your pet from sickness, a cold, or sickness from various skin diseases.
After a long period of drains, put towels around the dog to prevent a sudden change in temperature or sun. the temperature of the room.
Also watch a 'dog ear wax' on the internet or ask your veterinarian on the proper procedures. It's important for the prevention of diseases

I'M BACK...

AH, UNNI. HOW IS THE KITTY?

OUCH! A BLACK CAT...!!!

THE SCAR IS HEALING NICELY.

THEN ISN'T IT GOOD? WHY DO YOUR EXPRESSION LIKE THAT?

IT'S BEING VERY CAUTIOUS AROUND PEOPLE..

IT EVEN HATES ME WHEN I GO NEAR IT NOW.

I feel sorry for him.

Don't be so mistaken! I'm showing some strong sympathy!

THERE WAS THAT INCIDENT BEFORE, AND IF YOU WANT TO DO THAT OUTSIDE OF SCHOOL.

THEN IT'S BETTER FOR THEM TO BE CAUTIOUS AROUND PEOPLE

BUT...

UNNI IS GETTING ALL THIS SHARPLY FOR DOING NOTHING WRONG, AND IT'S NOT FAIR.

SHE'S EVEN FORGOTTEN ALL ABOUT HER CAT TOWER THAT SHE WAS MAKING.

THE ORIGINAL GOAL OF THIS IS TO CONTROL THE NUMBER OF STRAY CATS.

IT'S NOT FOR FEELING SUPERIORITY BY GIVING COMPASSION OR SYMPATHY TO THEM.

SIGH

I hate you Doctor!

CRA SH
OH!
SHIT! I'M SO CLUMSY!

HM... SN'S SPEECH HAS GOTTEN CONSIDERABLY WORSE.

Look, that guy
HUH?

I KNOW HOW YOU FEEL... BUT JIN ISN'T WRONG IN HIS EXPLANATIONS.

WASN'T THE AIM OF THIS TO HELP POOR, DEFENSELESS CATS?

HM... HOW DO I EXPLAIN THIS...

YOU'VE BEEN PEOPLE THAT HATE SOME OR CATS THAT DON'T LIKE PEOPLE, BUT OVER TIME TO THEM, MIGHT IT COULD BE THAT THEY OTHERS LIKE OR HATE PETS IN GENERAL.

BUT IF WE WERE TO KNOW THESE REASONS, THEN WE HEAR THEM AND WE CAN HELP THEM, OR HOW THEY SET UP FEEDING SPOTS OR BASES AND MAKE THE STREET SPOTS, OR HOW THEY HAVE PROBLEMS BECAUSE THEY'RE OUT IN THAT DIRTY STREET.

OR WHEN THEY'RE IN HEAT THE HOWLING THAT GOES ON REGARDLESS OF WHAT TIME OF THE DAY IT IS, IS TOO LOUD.
SHUT UP!!

SO THEY'RE CAUSING INCONVENIENCES TO LIVES BUT WE CAN'T ROUND THEM ALL UP AND KILL THEM, RIGHT?
OF COURSE NOT!

SO THERE PEOPLE HAVE COME UP WITH A PLAN THAT IS GOOD FOR BOTH CATS AND US PEOPLE.

FOR EXAMPLE, WE GIVE CLEAN WATER AND FOOD FOR THEM, AND WE CAN ALSO HAVE THEM BREEDING WITH US PEOPLE UP BASES, AND FOR CATS, TO PREVENT BOOMERING AND EXTEND THEIR LIVES.

BUT I DON'T GET ANYTHING. SO WE HAVE TO DO THAT?
HM... I'D TAKE A WHILE TO EXPLAIN THAT... BUT I'M IN THE MIDDLE OF DOING SOMETHING... RIGHT NOW, SO I DO...

ALL THERE! YOU JAN!

UH... I'VE GOT SOMETHING I... ONE DO FOR MUNNA... SO I WAS THINKING.

?

THE CAT TOWER SHE WAS MAKING. I'VE GOT SOMEONE THAT CAN MAKE IT FOR HER.

WOULDN'T SEEING A COMPLETED TOWER MAKE HER FEEL A LITTLE BETTER?

CAT TOWER?

IT'S OK. I NEED IT TOMORROW.

WHAT'S THAT?

HOW CAN HE MAKE IT IF HE DOESN'T EVEN KNOW WHAT IT IS?

Hey kid!

DON'T LOOK DOWN ON THIS GENIUS!

→ He's gotten cocky

... HM?

... HUH?

WHAT THE HECK WERE YOU TRYING TO MAKE HERE?

JUST NOW... I WAS A LITTLE HURT.

IT WAS SUPPOSED TO LOOK SOMETHING LIKE THIS-

THIS. THIS. CONNECTING HERE. WAS TOO HARD.

AND HERE AND HERE TOO...

I was gonna, a watch, or something?

well... guess!

NO, I WASN'T DONE ANYTHING.

BANG

BANG

BANG

HM...

ABOUT NEUTERING, YES?

THIS WAS SUPPOSED TO HELP BOTH THE PEOPLE AND THE CATS, BUT I CAN'T SEE A REASON BEHIND NEUTERING.

. . . . . .

AN DOCTOR JIN SAID, THIS IS DESIGNED SO THAT IT CAN BENEFIT BY AVOID FUN BOTH PEOPLE AND CATS ALIKE.

AND AS DOCTOR DAM SAID, IT'S TRUE THAT WE'RE NEUTERING THEM TO CONTROL THE AMOUNT OF STRAYS.

CHOOK

OH, CAN A PERSON REALLY DO SOMETHING LIKE THAT?

THERE IS A LOT OF DISCUSSION ON

WHETHER NEUTERING IS RIGHT OR WRONG. IT CAN'T ANSWER THAT QUESTION WITH A YES OR NO RIGHT NOW.

Q.

IF IT'S BAD, IT'S SAID. HOW IS THAT A DIFFICULT QUESTION?

IN THE CASE OF TNR, ONE OF THE AIMS IS TO CONTROL THE INCONVENIENCES CAUSED BY CATS IN HABIT AND TO CONTROL THE DISEASES. THIS IS TO PREVENT CATS FROM SUFFERING FROM EXPERIENCING HARSH ENVIRONMENTS AND CONTRACTING DISEASES FROM LIVING IN THOSE ENVIRONMENTS, OR TO PASS ALONG THOSE DISEASES GENETICALLY.

BUT AWAY FROM STRAYS.

THERE ARE PEOPLE WHO GET NEUTERING OPERATIONS FOR THEIR PETS, RIGHT?

WHAT!?!

To prevent diseases,
→ Prevents infection, uterine cancer, and other diseases caused by hormones for longevity.
→ It is mentioned that you can extend their lives for 1~2 years.

Aaack, pch, pantheist, Talk, :)

WHY... I THINK THEY'RE CUTE!

To avoid discomfort when being with people,
→ It is also to have fewer cry of females or health problems.

Should I be finding food? Sad face

Uterine cancer

To prevent diseases or accidents caused by stress
Frustrated honey-dick, testis,
→ This is why become bad by harm to escape.

Can't they even catch? Try to keep with ash

Comes back home with the others' friendly

And to take responsibility with the pet they have by controlling their energy they can handle are the excuses

IF IT'S NOT A BAD THING THEN WHY IS IT A HARD QUESTION?

BECAUSE IF WE WERE TO COMPARE THIS TO A PERSON'S STANDPOINT, IT WOULD BE LIKE THE OPERATION TO REMOVE YOUR UTERUS, AND SO IT'S THE MENTAL PAIN OF THAT

AND IT'S NOT RIGHT TO PUT A KNIFE IN AN ANIMAL FOR HUMAN CONVENIENCE.

→ The opinions of people that oppose mirroring exist based from animals to stray lives from banning, yawning

THERE ARE ALSO PEOPLE THAT QUESTION THE ACTUAL GOOD THAT NEUTERING DOES IN PREVENTING DISEASES.

→ There are some researches that emphasize this, but there are other cases where there are accidents that, it is a rare occurrence which, if we provide guidance of it right for prevent it as disease, then there happen not get, or if the disease would be found, it would be able to recover sooner before it has even better

SO... SO CONFUSING...

IT'S IMPORTANT WORRYING OVER WHETHER IT'S HARMFUL OR HELPFUL TO THE ANIMALS SO IT'S OKAY.

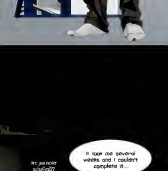
IT'S NOT OKAY EVEN IF YOU STRESS ABOUT WORRYING OVER WHETHER IT'S WRONG OR NOT COME TO AN ANIMAL, IT'S A PROBLEM.

TO BE HONEST, I CAN'T SAY THAT ONE SIDE IS THE ANSWER.

FOR EXAMPLE, THEY SAY THAT THE AVERAGE LIFE OF A COMPANION ANIMAL IS GETTING LONGER. THE THINGS WE THINK ARE RIGHT MAY BE DISCOVERED AS NOT IN THE FUTURE, OR ANOTHER, EARTH MAY MAY BE DISCOVERED.

AS YOU SAY, STUDYING IS IMPORTANT.
AND I THINK IT'S GOOD TO IMAGINE WHERE YOU'RE LIVING WITH YOUR COMPANION ANIMAL 15 YEARS INTO THE FUTURE.

THINGS LIKE TRAINING AND DAILY LIFE, NEUTERING OPERATIONS, AND WHAT TO DO IN THE CASE OF OTHER DISEASES THAT MAY OCCUR IN THE FUTURE. YOU DON'T HAVING A JUDGEMENT BE EASIER IF YOU'VE ALREADY THOUGHT ABOUT IT?



Today celebrates Run Kyu's first victory!

Neutering Operation

There are still discussions on whether or not neutering is good for the animal, or bad for it.
The thought of the term 'companion animal' being not just for the animal is just the author's view.
I tried hard researching both sides for and against neutering. Regardless of whether the operation is good or not, so that you can live with your companion for the next 15 years, there are views supporting the operation, and views opposing the operation - all which I found while researching for this chapter. And while doing so, I thought that thinking about what you are willing or not willing to put up with for 15 years is the better way to decide rather than trying to discern whether something is completely harmful or helpful to the animal.
To debate this, you need to think about this deeply and study on it, and Demand will be there. Once people who have studied are debating about this issue, I assume you understand why demand is important.
Other than neutering operations, other diseases may occur because of this, and medicines are developed to combat these diseases. The production of these medicines can only advance if there is demand for them from veterinarians or the company that is related to its production.
For example, there are products that allow your companion to live without the operation (spray to restrict/induce marking, an improved defecation place for males, and so on), they prevent diseases, or even better train these animals.
So don't think that what you believe in now will always be correct, and keep researching.
If you do not like the idea of an operation, then that's not bad. But research on ways how to prevent diseases that neutering prevents. If you decided to give up then you need to follow it all the way through. They say that the average life of a companion animal is now 15 years. I think it's the result of people who have worked and studied on how to live with their companion longer.

Pet Diary

- I'M SORRY, BUT DDOL'S STORY AGAIN. -_-;; -

Ddol will ...

... soon be one year old.

It's 7.3kg.
From the tip of its tail to its snout is about 80cm.
He got quite big from being so small, hasn't he?

HE'S NOT A RABBIT BUT HE CHEWS ON WOODEN THINGS AND THEN THROWS THEM BACK UP. WHY DO YOU EAT NUNG'S HOUSE,LEAST IT WAS SOMETHING I GOT FOR FREE BUT... IT'S NOT SOMETHING I WANT TO SPEND MONEY ON... SOB

AND IF YOU'RE GOING TO DO THAT, THEN JUST FOCUS ON WOODEN ITEMS - THAT WAY I CAN JUST AVOID BUYING WOODEN THINGS!! BUT WHY SO YOU ALSO BITE PLASTIC THINGS AND GET TOLD OFF BY ME?

WHY IS IT THAT IF I DON'T LOCK THE BAFFY DOOR, YOU SNEAK OUTSIDE AND PICK A FIGHT WITH THE NEXT DOOR NEIGHBOUR'S MUCH BIGGER DOG?!!

I KNOW HE'S TIED UP BUT WHAT IF HE BITES YOU WHEN YOU'RE UNTHINKING?! TRUTH BE TOLD, I'M MORE SCARED OF THE DOG'S OWNER THAN OF THE DOG...)

AND THEN, WHEN WE WENT FOR A WALK YOU RAN OFF SNIFFING WHAT I SAID ANY BRIDGE THE EXPENSIVE LEASH, RIGHT? I KNOW IT WAS WEAK CONSIDERING WHAT I PAID FOR IT, BUT THAT WAS REALLY EXPENSIVE.

Ddol's food: feed

Bobo is eating a mix of two different brands of food.

He has a habit of being tired of the same food.

So I tried this while thinking of a way around it.

But I read somewhere that it's not good for your dog's health and confirmed it with the hospital.

The hospital couldn't give me a definite answer...

I'm not sure which side is right...

The amount is about 120~140g each day and I give it out in two doses, but he gives through the amount in two days now.

I thought it was because he had finished growing the weight was growing higher and higher each day but then nowadays he doesn't move from 7kg or that I'm giving it too much treats.

Dad's treats: dried meat & vegetables

I can't give it any treats that are sold from the petshops.

Part of the reason is because I don't trust them, because one time, I did buy one for him but he threw it right back up.

But I found that just giving treats is boring so when I couldn't find a place that sold dried meat or vegetables, I make them myself.

If I had a drier then there are things I can make... but I don't have a drier.

This is how I live... ~_~;

Dad still gives Bobo food secretly (at times, being wary of me).

But compared to the fights we had in the past, if prepare some treats beforehand, he tries not to give anything else aside from those.

Hooray for Father!

. . . .
Whine
Whine
Not wanting attention
whine
Room is smelly
Dad plays some really mean jokes on Dad so if Dad isn't hoarding any treats, he doesn't go near him.
SO YOU'RE SAYING YOU'RE THE SAME WHEN IT COMES TO FOOD?
ANYWAY, RETURNING TO THE SUBJECT, ONCE THE TREATS RUN OUT,
I give things like steamed sweet potatoes, and unseasoned vegetables, carrots, and tofu. (I know with the little amount of pay I get, I always look after the food, but the money for the treats run out before the next issue is sent...)
YOU FARTED, RIGHT?
I'M FEEDING IT A LOT, RIGHT?
SO I DON'T FORGET ABOUT THE OBESITY TEST.
?
A DOG'S OBESITY TEST...
It is to look from the top down and see if the nape is wider than the chest. If you can't tell because of the hair, then check when you're giving your dog a bath.
Like this...?
You can find detailed pictures on the web ^^
This is something I heard from the hospital but briches are good for the dog's health too.
P.S.
Yukari and Sai Si-Hae Yun

HEY GRANDMA, DON'T YOU HAVE ANY KIDS OR YOUR OWN WORRIES? WHY ALL THIS CRAP BY YOURSELF?

TSK!
TSK!
TSK!
?

WELL, I'M JUST STAYING HOW IT IS. A FRAIL OLD GRANDMA CAN'T TAKE CARE OF ALL THESE DOGS

A YOUNG GUY LIKE HIS HAS A HARD TIME KEEPING UP WITH THEM, AFTER ALL.

I'M STILL FINEHA. IT'S OKAY.

BACK IN THE DAY...

A POOR, OLD DOG THAT LOOKED THIN WAS WALKING AROUND THE NEIGHBORHOOD. SO I GAVE HIM A BITE TO EAT AND HE JUST KEPT FOLLOWING ME.

I'M HARD ENOUGH TAKING CARE OF MYSELF, SO I ASKED AROUND IF ANYONE IN THE NEIGHBORHOOD WOULD TAKE CARE OF HIM...
I'll pass!
I won't.

I FOUND SOMEONE WHO COULD TAKE CARE OF DOGS LIKE THAT AND CALLED THEM.

BUT THEY SAID IF THE PREVIOUS OWNERS DON'T COME AND CLAIM THE DOG WITHIN A MONTH'S TIME, THEY'RE SUPPOSED TO HAVE TO KILL THE DOG. THAT LAW IS LIKE THAT AND WHAT NOT.

TO KILL A HEALTHY DOG LIKE THAT BECAUSE HE HAS NO OWNER

I COULDN'T...JUST STAND BY AND WATCH THAT HAPPEN.

.....
.....

AND SO WE'RE WHERE WE ARE NOW. I GUESS IT JUST HAPPENED.
I GUESS.

BUT THERE ARE VOLUNTEERS WHO COME AROUND FROM TIME TO TIME TO HELP.

SO I CAN STILL WITHSTAND IT. DON'T WORRY, BOY.

.....

GRANDMA, WHY DO YOU BOTHER WITH ALL THIS TROUBLE AT YOUR OLD AGE? JUST LIVE YOUR LIFE PEACEFULLY!

NOW THIS SEEMS!

IT'S FINE. IT'S FINE. I'M LIVING LIKE THIS BECAUSE I LIKE LIVING WITH THESE GUYS.

- Chapter 10 -

AND HOW EACH PERSON HAS THEIR OWN SOCIAL SECURITY NUMBERS, A NUMBER WILL BE GIVEN TO ANIMALS AS WELL.
IN ORDERS TO PREVENT ABANDONMENT, THEY'RE TALKING OUT A DIGITAL CHIP OPERATION OR KEEPING A COLLAR WITH THE NUMBER ON IT.

IF YOU LOSE YOUR PET, THERE IS ONLY SO MUCH TIME TO FIND IT BEFORE THE TIMER ON THE TIME RUNNING WHICH YOUR PET IS SAFE FROM EUTHANIZING, WHICH MEANS MORE PETS WILL BE PUT DOWN SINCE THERE IS NOT ENOUGH TIME TO REUNITE FOR THEM.

AND IF YOU WANTED TO THROW AWAY YOUR PET, THEN YOU WOULDN'T PUT ON THE COLLAR.
AND THEY SAY THE OPERATION FOR THE DIGITAL CHIP IS THERE, THERE ARE QUESTIONS ON HOW GOOD OR EFFECTIVE THAT IS.
AND ON TOP OF THAT, THERE'S A REGISTRATION NUMBER FOR YOUR PET...

THERE ARE ANIMALS THAT ARE THROWN AWAY RIGHT NOW.
WITH THE IRRESPONSIBLE EXCUSE OF RELEASING CAPTIVE BIRDS, TURTLES ARE TARGETED
AND WHEN THEY ARE CAUGHT BY THE MAN IN CHARGE OF LAWS ON HUNTING, THEY ARE KILLED ON THE SPOT.
FOR THE EXCUSE OF OVERCOMING THE NATURE IN THOSE AREAS

IF THOSE THINGS WERE TO BE STOPPED, DON'T OUR LAWS HAVE TO BE A LITTLE MORE EFFECTIVE?
YOU'RE RIGHT AND I AGREE WITH YOU. I'M SAD AND ANGRY AT WHAT'S HAPPENING.

A TRUE BALANCE OF PEOPLE AND ANIMALS CAN ONLY HAPPEN IF EACH IS GETTING HARDER BY THE DAY.

BUT THIS IS THE FIRST STEP TAKEN BY THE PEOPLE WHO TRULY CARE ABOUT ANIMALS.

SO YOU GET IT? THIS LAW ISN'T THE END.

IT THE ADULTS HAVE PUT OUT THIS LAW AS A FIRST STEP.

THEN FUTURE ADULTS LIKE YOURSELF JUST NEED TO TAKE THE NEXT STEP.

THE IMPORTANT THING IS NOT HOW TO PUNISH THE PEOPLE WHO THROW THOSE ANIMALS AWAY.

BUT TO HELP THEM REALIZE HOW TO LIVE TOGETHER IN PEACE WITH THEIR ANIMAL.

TEACH THEM TO BECOME AN ADULT WHO CARES FOR THEIR PET BY FEEDING THEM WITH THEIR OWN HANDS, ITS CLEANING AND CARING FOR IT UNTIL IT DIES OF OLD AGE.

I THINK THAT'S MORE HELPFUL TO THE ANIMALS THAN AN ONSLINE PETITION.

IF YOU HAVE KIDS, THEN TELL YOUR CHILDREN ABOUT IT... AND IF THAT CONTINUES, THE SECOND STEP WILL CONTINUE TO BE A THIRD.

I KNOW IT'S A LITTLE DEPRESSING, BUT DON'T THAT THE BEST US YOUNG ONES CAN DO?

... UH...

I THOUGHT IT ONLY APPLIED TO DOGS AND IT WASN'T LISTENING...

BUT, WAIT THERE A LAW PROTECTING ANIMALS?

THERE'S ANOTHER ONE!

WHAT? WERE YOU LISTENING TO A THIS TIME...?

The law was put into practice in South Korea on January 29th, 2008 and there are many that enjoy their lives as pet owners.

For example, having a leash and collar on each time you're on a walk. An environment bag is essential, and not carrying around one is a fine up to 300,000 won.

The registration number is different depending on what state you are in, but I mean details.

Abandoning a pet is a fine up to 500,000 won.

The laws preventing animal cruelty have gotten stronger, so the fine is up to 5,000,000 won.

*Revised and compromised ways to print a number.
500,000 won = 원화 표시 ₩ 500,000 won = 원화 표시 ₩ 5,000,000 won = 원화 표시 ₩

Jin-shi-ro! Leave us! This kiss was all to anything

Traitor Phoebe... once you die!, you're fucking there.

Traitor Phoebe...

Traitor of mine that money to make a law. It would have been more effective to hold on the owners who don't want to take care of their pets to kick them right?

It's because you always see things in a positive light. That you say that.

I'm not sure how to prevent abandoning animals without increasing the taxation rate. Or to increase the people who help find the owners, but decreasing the amount of time before the abandoned pet is put down. Should I help?

A registration number for companion animals? There are people who won't even shut money to care for their pets, how can you expect them to register with a digital chip?

The law on animal cruelty is good, but I'm afraid that it's not sure how to be going to expose that abandoning pets or the stray companion animals to train kids to make sure they take care of their pets in the future?

Jin- bah! Is like that sad be pathetic!

Hmm...

That's too bad!

Wait!

Well... things will be a little better when they're adults, so I'll just have to see what happens.

Jin-shi-ro! Leave us!

There was a law protecting animals issued on January 29th, 2008 in South Korea. All those currently living in South Korea with companion animals, please read about it.

In March, I'm going to be a surgeon~♥
I wish March comes quickly
Ah.. before that, I should have my one year anniversary with Grandpa
I'll ask Ju-ho over and Tubbit and big brother Ruy to come, too!
Grandpa!!
What's wrong?
Ah, nothing, Lina.
Grandpa is lovely so that's how he's wrong with Lina today!
But I like that you're here like this.♥
Let's sleep together tonight, Grandpa.

hhhhhh

Grandpa's nose is touching and tickling me.

His breaths are tickling...

It's so warm that he's so close together

I think I'll have a nice dream.

Grandpa
I like you so much.

MOM, WHERE'S DOOL?

I WON'T PULL ON DOOL'S TAIL ANYMORE. PLEASE BRING HIM BACK

I'M SORRY.
I'LL BE A GOOD KID NOW. BRING DOOL BACK, PLEASE?

DOOL...
WHAT HAPPENED TO HIM...

EH?
DO YOU WANT ME TO CALL YOUR PARENTS?

WHY?
WE... ER... WE HAVE TO ORGANIZE GRANDPA'S FUNERAL...

FUNERAL?

...

DID I DO SOMETHING WRONG?

I WAS BUSY AND DIDN'T TAKE HIM FOR WALKS. I FORGOT TO BRUSH HIS TEETH TOO.
I SECRETLY GAVE HIM SNACKS THAT I WAS EATING.
WAS SOMETHING WRONG WITH ME? SOMETHING WAS WRONG WITH ME, RIGHT? I DID SOMETHING WRONG, RIGHT? RIGHT?

IT'S NOT YOUR FAULT. HE JUST LIVED TO THE END OF HIS LIFE.

HE WAS WEAK BECAUSE HE WAS OLD.

FOR LOVING GRANDPA FOR THE PAST YEAR

THE REASONS HOW ARE HAD OF FOREIGN SO I THINK YOU'RE NOT NEEDED, BUT THEN YOU WILL HAVE TO ADOPT AN ANIMAL BEFORE OR LATER.
BUT TO THINK YOU ARE HAVE A HUSBAND, NOW ANIMALS LIKE PEOPLE DO, IT SOUND THAT INTERESTING, YOU KNOW?

WHEN I WAS YOUNG, MY MOM TOLD ME THAT SHE BURIED THE DOG IN THE YARD...
BUT I THOUGHT SHE HAD SENT HIM AWAY BECAUSE I DIDN'T LISTEN TO HER. I SPENT DAYS SULKING HER AND CRYING ABOUT IT.
AT LEAST THIS TIME...
I SAW GRANDPA UNTIL THE END.
SO... THERE'S NO USE IN CRYING NOW, RIGHT?
GRANDPA...
CAME HERE BECAUSE HIS PREVIOUS OWNER HEARD THAT BECAUSE OF HIS AGE, MEDICAL CARE FOR HIM WOULD BE DIFFICULT
BUT THROUGH HARD WORK, HE MANAGED TO LIVE ONE YEAR WITH YOU, BIT NA.
AND IN THE END, HE DIDN'T TRY TO LEAVE YOU WITHOUT SAYING GOODBYE, RIGHT?
WHEN YOU'RE SAD ABOUT GRANDPA LEAVING YOU, THINK ABOUT THE THANKFUL FEELING YOU GET.
THE HAPPINESS YOU GET BY LIVING WITH ANIMALS
IS NOT JUST SADNESS WHEN YOU LEAVE THEM
BUT THE THANKFULNESS YOU HAVE SHARED YOUR LIFE WITH THEM.
SO LET'S MAKE SURE NOT TO LET THAT THANKFULNESS GO TO WASTE, BOTH OF US.

Pet Diary

text by Arawn and Jhee

- Afterwards -

Pet Diary was made by two people - Jumee with the story, and Jhee with the drawings.

Hello!

The author

Me, the artist

We do 100% of our work through the internet as we live 6 hours away by train (Jumee transport times excluded).

Internet connection

During our discussion at the idea (or something that began like that but ended up as a conversation to something completely irrelevant)...

Who do you think the characters of Pet Diary want to be when they're adults?

Me! Why do you want to know this?

Me! Hmm~ I think it'll be interesting. Well, he is weird, because a whitemouse.

So he becomes a whitemouse?

She was the daughter of a whitemouse. I didn't get a chance to meet it.

Ah, I see. I think she'll be something like that.

What?

Don't you think Jill is... would go into politics? Like, to go make some proper laws for protecting animals.

Jill isn't like that not even at anything. I don't know if that's possible.

Then what about a reporter? Exposure of the unmeasurable treatment of animals!? or something like that

Hm... that's a little better.

Later with Jumee at Coffee Bean

Come to think of it, Ron Tae would become an actor that's just confidence.

I'm not sure... maybe. Daniel can't sing, he will stay with that temper though.

Then, what about Jan Young?

Hmm...

A blue-collar worker?

BOOT-I

Sorry, nothing came up.

Well, whatever he does, when People of adults

They all will be adults that want to protect and love animals.

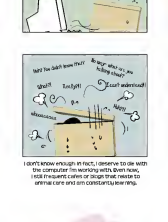
- Yohan's postscript -

Pet Story was originally a four-cut comic that we run on our long-gone website

We thought to give out information on animals that each of us had experience with, so we decided on dogs, cats, rabbits, and hamsters.

We didn't have much in the way of collecting information, so at first, we were piecing out pretty basic information.

The Pet Story was later here is our attempt at putting more of a story to it. We had requests to do other animals than the ones shown here, but as we had no prior experience and didn't want to create something with wrong information we figured that websites, we couldn't make a story for it. Sorry.



And one more thing,

I didn't start this out of love for our animals I thought to begin this with let's just do what we know. Also...

I don't know enough in fact, I deserve to die with the computer I'm working with. Even now, I still frequent cafes or blogs that relate to animal care and am constantly learning.

I've still got data here so I'll continue even though the comic is over...^^

- Zhen's postscript -

Motive for coming to a school like this?[..]?

Because I like animals
Huh? I don't know. They got told to go here.
Shut up.
Who's your mom for calling her?
That's one of the problem of the previous school. Someone from class 3 transferred because I beat class 2.
I don't care!! Don't tell me!!

That's Pet Story from start to finish. If you can't see with the date, and I'm with it so I'm only big change was Jan 31 was. I can't guarantee how weird the drawings are. :)

Should we have a closer look?

Sam...sorry
about...
It's all right.
I'm just glad
that it's over.
Yeah...
Sam...
Yes?
Um...
Would you...
Would you like to
go out with me?
